Build Your Capsule Wardrobe

33 Pieces. Infinite Outfits. Zero Confusion.

A capsule wardrobe is not minimalism for its own sake — it is strategic curation. Every piece earns its place by working with everything else. The result: you dress faster, spend smarter, and look better.

THE CORE STRUCTURE — 33 PIECES

The Outfit Formula System

5 FOOLPROOF OUTFIT FORMULAS

FORMULA 01 — THE MONOCHROME STACK

One color family from top to toe, varied in tone and texture.

EXAMPLE:

Cream knit + beige wide-leg trousers + tan loafers + camel coat

FORMULA 02 — THE POP FORMULA

Neutral base (2-3 pieces) with one high-contrast color accent.

EXAMPLE:

All-black outfit + bright red bag | White + tan base + cobalt shoes

FORMULA 03 — TEXTURE PLAY

Same or similar tones, varied surface: matte vs sheen vs knit vs structured.

EXAMPLE:

Silk blouse + leather trousers + suede boots (all in one colour family)

FORMULA 04 — THE LAYER STACK

3 distinct layers, each adding depth without adding visual noise.

EXAMPLE:

Tee + open shirt + longline coat + one clean-tone sneaker

FORMULA 05 — PRINT + SOLID RULE

One printed item, all other pieces pick a color already inside the print.

EXAMPLE:

Floral shirt (rust + green) + plain rust trouser + white clean sneaker
